CURRICULUM VITAE

Thushini Thimasha A. G.

CHARTERED ARCHITECT · AIA (SL) · ASSOC. AIA (INTL.)

PROFILE

Chartered Architect, AIA (SL), and International Associate AIA member with a NAAB-accredited Bachelor of Architecture from the American University of Sharjah and five years in practice at Tanya and Suren Wickremasinghe Architects, Colombo. Advanced in Rhinoceros 3D and Grasshopper, proficient across Revit, AutoCAD and the Adobe suite, with hands-on design-build, model-making and construction-documentation experience. Chambord Inachevé international competition finalist. Enjoys problems at every scale, from a 1:5 window detail to a floating research settlement.

EXPERIENCE

Architectural Assistant — APR 2021 – PRESENT
Tanya and Suren Wickremasinghe Architects · Colombo, Sri Lanka
- Full-time architectural assistant in the practice's Colombo 8 studio, supporting design development, drawings and documentation across the office's projects.

Architecture Intern — JUN 2017 – AUG 2017
MSN Architects · Sri Lanka
- Designed and developed two projects within five weeks, including the exterior façade system for a 5,107 m² office building in Hokandara.
- Produced site, typology and material studies with budget options; presented in client meetings.

Design Team Member — DEC 2018 – JAN 2019
Chambord Inachevé Competition · AUS × Dominique Perrault Architecture
- Designed, compiled and submitted the AUS proposal with a 14-member team; shortlisted as a finalist, exhibited at the Château de Chambord and published in 2019.

Administrative Assistant Intern, Construction Division — JUN 2011 – APR 2012
Capital Bay Est. · Saudi Arabia
- Prepared scopes of work, BOQs and quotations; wrote sales contracts; reviewed construction drawings.

EDUCATION

Bachelor of Architecture (NAAB) — 2013 – 2019
American University of Sharjah · UAE
- Emphasis in design; AUS Merit Scholarship throughout; part-time front-desk assistant (2016–19).

High School Diploma — 1997 – 2011
Sri Lankan International School · Riyadh, Saudi Arabia

PERSONAL MOTTO

"Life is too boring without challenges. There are many problems to solve, so I'll keep questioning."
